

## GENERAL CONDITIONS FOR THE USE OF COMPUTER SOFTWARE

1. **BME-NTI** allows the undersigning party **IPP** to use the computer software **NTI Wavelet Tools** provided that this software will be used exclusively for non-commercial research purposes.
2. The undersigning party agrees, therefore, not to exploit this software commercially or to transfer it to third parties without prior written consent of **BME-NTI**.
3. The undersigning party agrees, not to use the software for military purposes or any other purpose falling under the provisions for non-proliferation.
4. **BME-NTI** provides no guarantee that the software is in good running order. No liability can be accepted for damage or injury arising from use of the software. Furthermore, **BME-NTI** provides no guarantee that the use of the computer software will not involve any infringement of copyright. The undersigning party will notify **BME-NTI** when it discovers that the software contains any error or infringes any copyright.
5. The undersigning party will, on request, put programs developed from the **BME-NTI** software at the disposal of **BME-NTI** under the same conditions. Furthermore the undersigning party agrees to state the names of **BME-NTI** and of the program provided when publishing research results obtained with the aid of this computer software.
6. Transfer of the software will involve no costs for **BME-NTI**.
