

TRANSFER OF COMPUTER SOFTWARE TO THIRD PARTY

BME-NTI allows the undersigning party **Max-Planck-Institut für Plasmaphysik** to transfer the computer software **NTI Wavelet Tools** to **EUROFUSION-JET** provided that:

1. this software will be used exclusively for non-commercial research purposes.
2. this software is not exploited commercially.
3. the software is not used for military purposes or any other purpose falling under the provisions for non-proliferation.
5. programs developed from the **BME-NTI** software be put at the disposal of **BME-NTI** under the same conditions.
6. the names of **BME-NTI** and of the program are stated when publishing research results obtained with the aid of this computer software.
6. the transfer of the software will involve no costs for **BME-NTI**.
