

The logo consists of a horizontal oval shape divided into two horizontal sections. The top section is a solid dark red color, and the bottom section is a solid dark green color. A white, stylized wave line runs horizontally across the middle, separating the two sections. The wave has three distinct peaks and valleys. The text "NTI Wavelet" is written in a white, sans-serif font within the red section, and the word "Tools" is written in the same font within the green section.
